THREE CENTS

Buffalo, N. Y. Wedding

A wedding of much local interest took place in the First Presbyterian Church at Buffalo, N. Y., on Saturday afternoon, June 16, when Miss Dolores Rosseau and Dr. Lester B. Mason, both of the faculty of the Buffalo State Teachers College, were married in a colorful service by the Rev. Dr. Ralph B. Hindman, the pastor, assisted by the Rev. Raymond F. Kepler. The bride is the daughter of the late Mr. and Mrs. Francois A. Rosseau of New Bedford, and the groom the son of Mrs. Lucius Mason and the late Dr. Mason, former residents of this town. After the ceremony there was a reception followed by a wedding trip to Canada and a visit with his mother now in Northfield.

Miss Rosseau was graduated from the State Teachers College at Bridge-water. She received the degree of Professuer de Francais a L'Etranger at the Sarbonne Universite in Paris and her BS and MA degrees from Columbia University. She is now working for her PhD degree.

Dr. Mason received his AB from Dartmouth College, his MA from Columbia University and his PhD from Cornell University. For two years he studied at Berlin and in Paris. Dr. and Mrs. Mason will make their home in Buffalo.

Many Attend Museum

Over 40 persons signed the registry at the Museum of the local Historical Society on Pine Street last Sunday when it was opened to the public for free admission. Many citizens who had never visited before and several visitors who are spending the summer here were delighted with the showings which had been arranged by Joseph R. Colton, the custodian. Miss Elsie Scott, the president of the society, and an efficient committee welcomed the guests and explained the many exhibits. There was a large number of articles of historic value which were shown for the first time. Many are suggesting that the museum be opened at least once a month on a Sunday so that summer residents may be given the opportunity of a visit.

Time Passes

Time passes, oh, so quickly, and I must let it go, with so many things unfinished; but perhaps were better so. Perhaps they were non-essential—might be not worth the while; if they were something needed, I'll have another trial.

To Wed On Saturday

The wedding of Miss Helen Margaret Durgin, daughter of Mr. and Mrs. Russell Durgin of New Haven and Charles David Miller, son of Mr. and Mrs. Carlton Earle Miller of Palo Alto, Cal., will take place in the chapel of the Divinity School of Yale University on Saturday afternoon, June 30, at 4 o'clock. It will be attended by several of her family, relatives and friends from this town.

Will Ride To Church

An experiment will be made this summer to provide transportation for summer residents living in Mountain Park, the Highlands and Rustic Ridge, who desire to attend the services at the Congregational Church on Sunday mornings. It's a long walk of about two miles each way from these locations to the church and it has been arranged that a bus of the Northfield Transfer take on passengers at the corner of Winchester Road and Myrtle Street at 10.40 and then go on to the corner of North Lane and Birnam Road and pick up other passengers at 10.45. In case of rain passengers will have the privilege of waiting on a neighbor's porch. The service will be free to riders having no other means of transportation but will be paid for by volunteer contributions. The bus will leave the church at 12.15 for the return to the two stations. Usually our summer residents worshipped at the auditorium with the various conferences but since there are none this year presented a serious problem which it is hoped to be solved. Summer residents who have already located have been informed by letter, but in case any have not received this letter, this notice is for their information. Rev. Joseph W. Reeves, the pastor of the church, has extended his welcome to all and hopes the privilege of transportation can be continued during July and August. Several individuals are vitally concerned and leding their efforts to make the venture a success.

Wins Third Cluster

Lieut Lawrence A. Glazier of this town has recently been awarded a third Cluster to his Air Medal for noteworthy achievement while participating in 44 bombing missions in the South Pacific area. He is a bombardier aboard a 13th air force B-24 Liberator. The lieutenant entered the air force in March, 1943, and trained at Victoryville, Cal., Tyndall Field in Florida and Maxwell Field in Alabama. He went overseas 10 months ago. He is a graduate of Mount Hermon School and studied at Middlebury College. He is a brother of Clayton Glazier of this town with whom he makes his home.

To Relax

My courage needs a vacation; it needs to have a rest, from working so hard. It has grown quite large and crowded out, all of my zest. H.F.H.

Bible Vacation School

The Advent Christian Church of South Vernon will inaugurate its vacation Bible school Monday, July 2, to continue through the 13th. The hours will be from 9 a. m. to 12 noon daily and the school will be in charge of Miss Roberta Chamberlain and Miss Ida Leach of the New England School of Theology of Boston. They will be assisted by the teachers of the local Sunday school. Children from 4 to 14 years of age are cordially invited to enroll and attend the sessions.

Miss Edna Cullen Dies

Miss Edna Folsom Cullen, secretary to the purchasing agent of the Northfield Schools for 26 years, died at the Franklin County Hospital in Greenfield after a brief illness on Monday, June 25. She was born October 15, 1886, in Strickersville, Pa., and was the daughter of Mr. and Mrs. George H. Cullen. Miss Cullen attended New London Academy, New London, Pa., and graduated from Northfield Seminary in 1911. Returning to Northfield in 1919 to become a stenographer in the president's office she soon after transferred to the purchasing department, where she remained until she became ill a few days ago.

She leaves two brothers, Chester H. Cullen of Lincoln University, Pa., and George B. Cullen of Stamford, Del. The funeral service was held at the Trinitarian Congregational Church Thursday at 2 p. m. and burial was in the West Northfield cemetery.

Pfc. Joseph Arsenault of South Vernon has written his parents that he is stationed in France.

Deeded Bruce Cottage

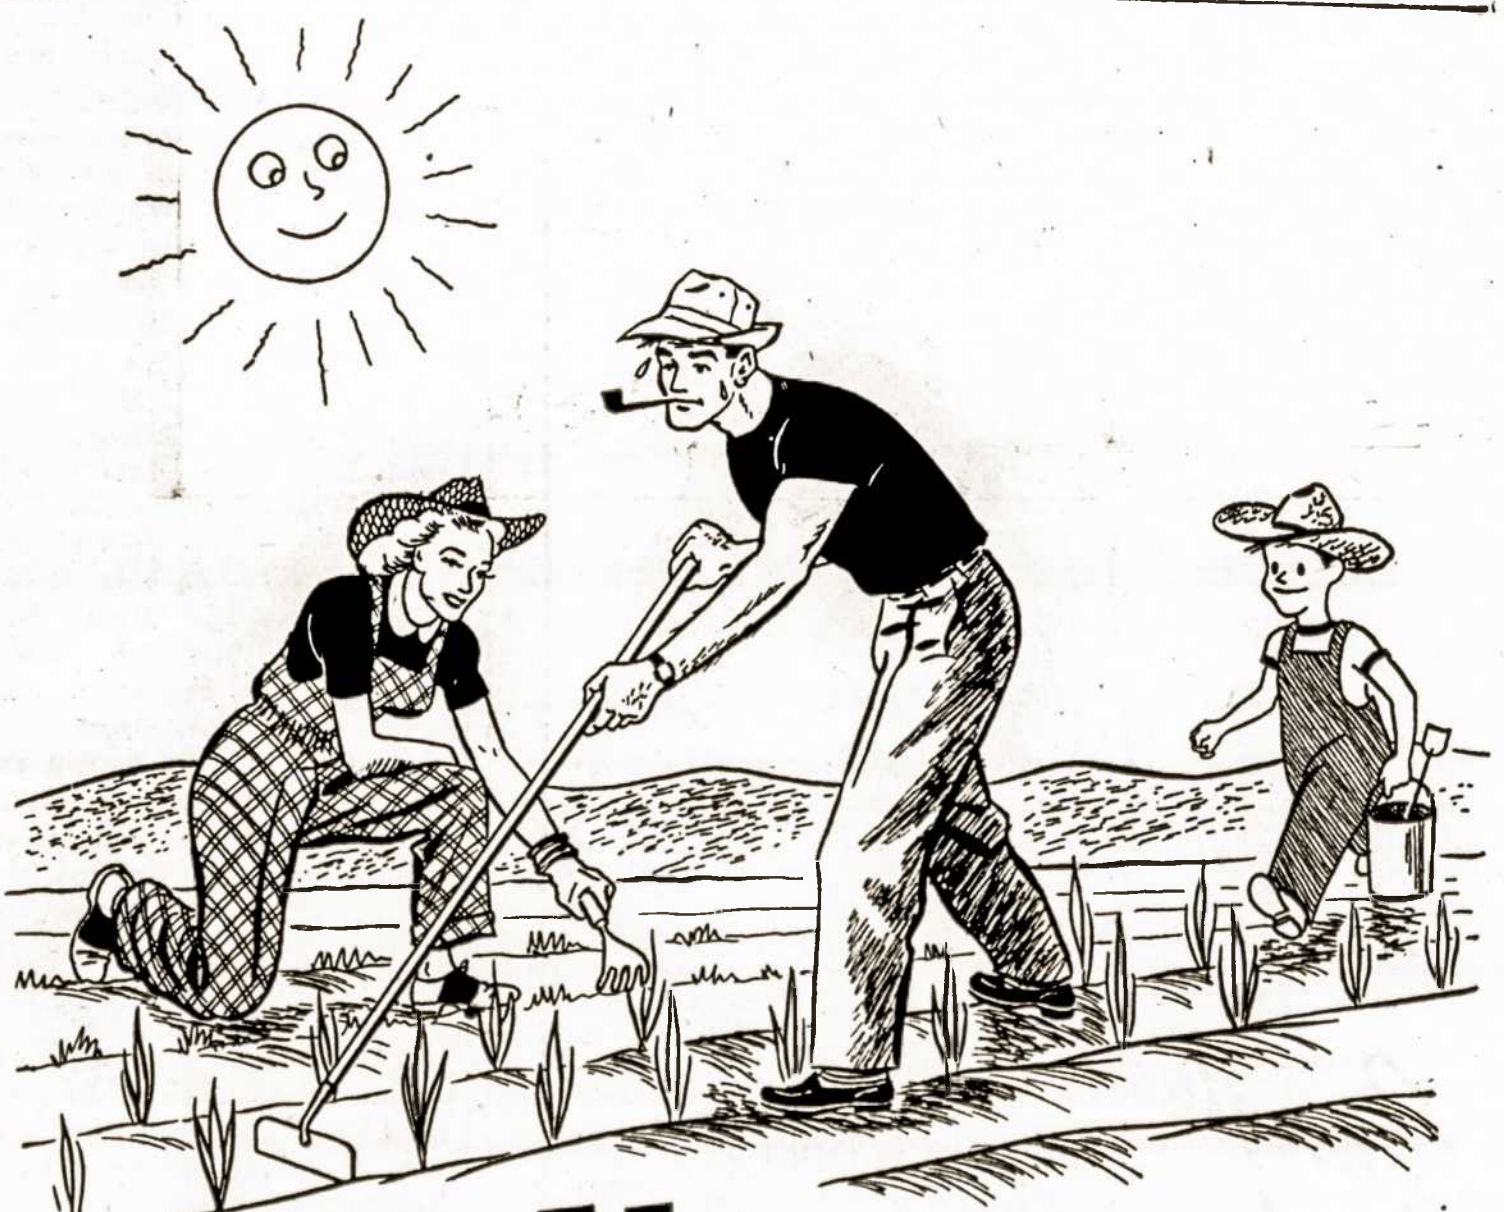

When death came to Mrs. Herbert P. Bruce and her daughter, Miss Dorothy Bruce, within two weeks of each other at the Brattleboro Memorial Hospital, it was their expressed wish that their cottage which they had occupied for many summers on Rustic Ridge be devised to the Rustic Ridge Association. Since the association at the time was not incorporated it could not take title, but the same has been recently conveyed to Dr. Arthur L. Berger, as nominee, by Mrs. Doris Cregar Gutman of Richmond Hill, N. Y., the executrix. Now that the association is incorporated Dr. Berger will convey the property to the association. The property consists of 20,808 square feet of land with a good residence upon it. For the past season as well as the present summer the cottage has been rented.

The Press is admonished to inform its readers that thought should be given by all folks to the care of their animals, dogs, cats and others if they plan to go away from home, for a short or long vacation. Domestic animals can not take care of themselves.

The Well Child Clinic

About 40 pre-school children were examined at the Well-Child Clinic at the Center School on Monday and Tuesday of last week under the arrangements of the local Health Council, assisted in direction by the public health town nurse, Miss Natalie Gowen. The children were examined by Dr. A. Nadas of Greenfield and the mothers advised concerning nutrition by State Nutritionist Mrs. Horst. The following members of the council assisted: Mrs. William E. Park, Mrs. George W. Carr, Mrs. George Sheldon, Mrs. William P. Stanley, Miss Mary Dalton, Mrs. George Pefferlee, Mrs. Robert McCastline, Mrs. Frank H. Montague, Mrs. Ernest A. Parker, Mrs. Carroll Miller, Mrs. Winifred Whitaker and Mrs. Robert Abbott. This event closes the work of the council for the summer.

The music trio, which has played so acceptably at the Northfield Hotel in previous seasons, began to render programs in the parlors of the hotel last Saturday evening. In addition to special renditions, there was a hymn sing last Sunday evening.

"Is the head of the house in, sonny?"
"No, sir. There's nobody home but Dad and me."

Teacher: "If you have \$10 in one pocket and \$15 in the other, what have you?"
Herman: "The wrong pants."

Client: "Has this dog a good pedigree?"
Salesman: "If he could talk he would not speak to either of us."

"Crooked dough gave him his fortune."
"A gangster or a counterfeiter?"
"A maker of pretzels."

The trouble with sharing your car,
I mean if the bus is your own,
Is that sooner or later you find
Yourself fixing a flat—all alone.

When a Yank in North Africa spied
a coin lying in the dust, he thought
he had found a relic of an ancient
civilization. Closer inspection proved
it to be a street-car token from
Kansas City.

"John, how many Rembrandts do
you suppose there are?"

"Well, depends on—I mean, why not
look it up in the telephone directory?"

First Small Fry (examining flower
pot): "Why is there a hole in the
bottom?"

Second S. F.: "That's in case the
plant is put in upside down."

Wife (studying new tax forms):
"What does this new type of blank
mean, dear?"

Husband: "It means that you may
have to keep whistling for that new
coat."

A young couple asked the parson
to marry them immediately following
the Sunday morning service. When
the time came, the minister arose to
say:

"Will those who wish to be united
in holy bonds of matrimony please
come forward?"

There was a great stir as thirteen
women and one man approached the
altar.

Jimmy had returned from a party,
and his mother, knowing his weak-
ness, looked him straight in the eye
and asked:

"Are you sure you didn't ask Mrs.
Smith for a second piece of cake?"

To which he replied:

"No, mother, I only asked her for
the recipe, so you could make some
like it, and she gave me two more
pieces of her own accord."

Shear Nonsense

"Why did you let your new secre-
tary go?"

"She used the Columbus system."

"What's that?"

"She'd discover a key, then land on
it."

To maintain America's great na-
tional prosperity, Americans must
continue to spend, we are told. To
insure individual prosperity we must
all save. Now that's all cleared up!

"I told her that each hour with her
was like a pearl to me."

"And did that impress her?"

"No. She told me to quit stringing
her."

Brown: "Your son tossed a lump of
coal at me as I came home this eve-
ning?"

Jones: "He did, did he? I'll have to
speak to him about that. Doesn't he
realize that I can't get more than half
a ton at a time from my dealer?"

Three Things I Love

Three things I love and should be
loath to miss
In this or in another world:

The still white light poured by the
summer moon
Upon the sleeping camp and sent far
up

The woodland path where soldier pines
break rank

To press, more silent on, and up
the slope.

And every slender birch runs fast to
keep them company;

The lovely pagaentry that autumn
spreads

Along the staid New England hills
and sends

In gay procession down the long gray
stretch

Of wall that parts this field from
that,

And all along the river bank, and by
The feedy shore of silent inland lake;

The fitful little autumn wind that
lays

Its spiral track in safe protected place,
And calls, in glee, to such brown
leaves as have

A spark of life, "Come now, for one
last douse

While frowning winter raps upon the
gate!"

These things I love, and would be
loath to miss
In this, or in another world.
